

We kindly invite you to

TRANS³Net.dialogue

Topic:

Sustainable Networking to promote transnational knowledge and technology transfer → what does that mean, esp. for TRANS³Net? → what are the expectations of the policy for networks and cooperations? → what are long-term benefits of networking for the actors of the innovation system?

Objective:

To discuss conditions of and improvements for transnational knowledge and technology transfer with stakeholders from the political-administrative sphere and experts from the innovation system in the TRANS³Net project region Saxony, Lower Silesia and the Ústí district.

Target groups

Transfer promoters who are interested in the TRANS³Net network and stakeholders from the political-administrative sphere from Germany, Poland and Czech Republic.

Venue

Technologieorientiertes
Gründer- und Dienstleistungszentrum
